

FIRST ANNOUNCEMENT

SAVE THE DATE

Scientific Approach to the Player's Environment- From Participation to the Top. Vienna, NOVEMBER 17-18, 2017

The European Handball Federation (EHF) & The Union of University Handball Teachers (UUHT)

kindly invite you to
the 4th EHF Scientific Conference

Scientific Approach to the Player's Environment- From Participation to the Top.

The goal of the Conference is to bring professional and scientific experts together in order to reflect on all aspects related to the player's environment (such as health science-, training science-, technology support), as well as to continue the acquisition of knowledge about medical aspects in our sport.

The official language of the Conference is English.

Conference Topics

- The player's health and social environment in amateur and professional Indoor and Beach Handball
- Special focus on "players' equipment issues"
